

Attention Hubble Parents,

It is time for the Hubble Newsletter to turn “Green!” Our ultimate goal is to go "paperless" and send our newsletters home via email.

The savings on paper and postage will be significant. The PTA spends almost \$1700 a year on home mailings.

Copies of the newsletters will be available in the Main Office for families without email access.

Please return this completed form, with your name and email address clearly written below, to the Main Office.

Email address: _____

Printed name: _____

J.C.P. Email address: _____

J.C.P. Printed name: _____

We hope you will all come on board and join us in turning this
Hubble Newsletter **GREEN !**
